NAMBA Performing Arts Space
Attn: Lorenzo DeStefano
47 S. Oak Street
Ventura, CA 93001

March 12, 2020

Dear Mr. DeStefano and all NAMBA staff,

I am writing this letter to express our deep gratitude to you and your organization for hosting our Community Research Forum on January 31st of this year. Your board member, Jeffrey Willerth, reached out to us in late 2019 to offer your space for free. This was an extremely generous offer that we happily accepted. As a nonprofit organization, it is difficult for us to pay for the use of community spaces and there are limited options for free in the city of Ventura.

NAMBA Performing Arts Space was the perfect venue for our Forum. It easily accommodated all of our attendees and the layout of the space allowed for easy check-in. The staff was extremely helpful on the day of the event and there were no issues whatsoever with the audio and visual presentation that we had prepared. The space was also accessible to our elderly or disabled attendees.

Having this type of resource centrally located in Downtown Ventura is a huge boon to our community. It is an ideal space for meetings, presentations, and art shows of all kinds. The staff were very hospitable and accommodated our every need. We are greatly looking forward to working with NAMBA again in the future.

Sincerely,

Leila Thayer
Program and Education Manager
